SUPPLYING EVENTS WORLDWIDE SINCE 1988

Welcome, How to Contact Us & Order

Welcome to our 2023 Ultimate Guide to Pin Badges, School Stars, Bars & Shields

After the uncertainty that Covid-19 brought in 2020, decimating our industry, it was great to see a multitude of fun runs, road races and mass participation events gradually starting to return last year.

We also saw the resurgence of triathlons, swimming events and school sports days making a much-welcomed comeback. Let's hope that this trend will continue during 2023.

January 2023 will also mark 35 years since I co-founded the business in 1988. Little did I imagine that it would have grown into the family business that it has today.

As more and more products have been added to our range, this year I have divided our services into 9 'Ultimate Guides' to make it easier and quicker to navigate – I hope you like what you see.

For the last 16 years Running Imp and Events FR have competed against one another as two of the top companies in the industry. But now, with Neil Landry wishing to retire from the industry it made

Josh Illsley, Neil Landry and Chris Illsley BEM

perfect sense for Running Imp to acquire Events FR. Therefore, as of 1st October 2022, Running Imp Ltd acquired Events FR in a major acquisition, and we will continue to work very closely with Neil over the next year to ensure a seamless and successful transition.

Neil said, "We could not be more delighted with the outcome and recommend highly that all our customers give Chris and Josh, the owners and Directors of Running Imp, the opportunity to give the kind of service that we have always prided ourselves upon."

Finally, I would sincerely like to thank all our customers and offer a special warm welcome to prospective new ones, and wish you a healthy, happy, and successful year.
