MORE THAN JUST MEDALS

THE ULTIMATE GUIDE TO

BESPOKE MEDALS ‘COINS’ • KEY RINGS & BOTTLE OPENERS

SUPPLYING CLUBS, CHARITIES, COUNCILS
SCHOOLS & EVENTS WORLDWIDE SINCE 1988

Welcome & How to Contact Us

Like many businesses in Lincoln, my father derived our name from the 'Lincoln Imp', a stone carving found in Lincoln's historic cathedral and founded Running Imp in 1988 as a 'one-stop-shop' for event organisers. Little did he imagine that 38 years later it would have grown into the market leader in our field that it has today.

We specialise in bespoke medals and are the **UK's leading supplier** delivering over **4 million medals worldwide each year**, from village fun runs to some of the world's greatest mass participation events including the **TCS London Marathon** and the **AJ Bell Great North Run**, however, no event is too large, but more importantly, too small

But we're more than just a 'one-stop-shop' for event organisers. We also specialise in supplying trophies, t-shirts, promotional items and clothing to clubs, schools, charities and organisations, and guarantee that we will not be beaten on price, quality or service.

We also care passionately about the environment and sustainability and can now offer 100% recycled medals, ribbons and pin badges and have installed 220 solar panels on our Jubilee House headquarters in Lincoln to become more eco-friendly, see below.

We're always here to help you, work with you and give you the **Service, Advice, Choice** and **Value** that we have always prided ourselves upon, to help make your event or presentation a success and memorable.

So, I would sincerely like to thank all our customers, some of whom have supported us for many years and to prospective new ones, I wish you all a healthy, happy, and successful year.

Josh Illsley - CEO
Running Imp & Bespoke Medals & Pin Badges

Jubilee House
11-13 Whisby Way, Lincoln, Lincolnshire, LN6 3LQ, United Kingdom.

Running Imp

Bespoke Medals & Pin Badges

Ordering couldn't be easier

Simply follow our 6 Step Guide

1 Style

Tell us what style of bespoke medal you would like.

2 Quantity

Tell us the quantity you require.

3 Shape, Size & Finish

Tell us the shape, size, finish, ribbon detail, enamelling colours (if any), optional extras (if any) and date required by. Then send us a rough sketch of your medal design with your guidelines and any logos (if any) that you want incorporating. Alternatively, talk through your design idea with a member of our staff who will be happy to answer any questions that you may have.

4 Quotation

We will then submit a quotation for your approval based upon your specific requirements.

5 Artwork

Once you have accepted our quotation, we will then provide you with medal artwork for approval within 3 to 4 working days.

6 Production

Once you have approved your medal artwork, we will commence production and deliver within your requested timescale.

See also pages **116-118** for Frequently Asked Questions, **FREE** Design Service, Production & Delivery Schedules

PRICE PROMISE

We will not be beaten on price (or service) and guarantee to beat any genuine like-for-like written quotations on orders.

Unbeatable Choice • Unbeatable Prices
Direct from our Warehouse to Your Door

Please note

Delivery Charges
Orders will be sent via courier. Carriage charges are calculated by weight. NI, remote Scotland and UK offshore islands including the Channel Islands and Isle of Man will all incur a surcharge - see website for details.

Overdue Accounts
We reserve the right to charge interest at 8% over the Bank of England base rate on all late payments and recover any expenses incurred in the recovery of any debt.

THANK YOU
To all colleagues who helped in the production of this brochure:
Editor: Chris Illsley BEM, Running Imp | **Photos:** Molly Illsley
Design: www.fiftyninedesign.com

Breakages and Claims
Claims must be received in writing within 24 hours of receipt of goods. Always check the contents of your parcel(s) before signing the delivery note or sign **Unchecked**. We cannot accept responsibility for goods signed 'in good condition' if they are later found to be damaged.

Terms of Business - Prices
Whilst every effort will be made to hold prices Throughout 2026, any unavoidable increases, due to Brexit or the US$ rate, will be notified at the time of ordering. We reserve the right to review and amend the prices at any time subject to changes in the market pricing.

How to Pay
Payment is required at the time of placing your order unless a valid Purchase Order has been provided or payment terms have been agreed. Payment can be made by all major credit and debit cards or directly into our Virgin Money Bank Account. Account Name: **Running Imp Ltd**, Account Number: 43199924, Sort Code: 05-05-63. BIC: YORKGB21563, IBAN: GB42YORK05056343199924.
All prices exclude VAT (where applicable) and carriage.

Artwork & Logos
Please send any artwork/logos electronically in PDF, EPS or JPEG format at a minimum of 300dpi or laser printed hard copies by post.

Why Work With Us?

Why Choose Us?

We are the UK's market leader in mass participation event supplies and sports medals. We offer everything you could possibly need when organising an event, large or small, to help make it a success.

Our reputation for excellent quality and service grows year on year and we produce over 4 million medals annually, exclusively designed and engraved from our headquarters.

We understand that a design has to be eye-catching, original and something that is cherished for many years to come, that's why we've built an experienced creative team to ensure that your medal stands out.

Plastic-Free Packaging

Our standard packaging for bespoke medals and pin badges is plastic free, wrapped in tissue paper with our aim to reduce overall plastic use with our medals master bagged in tissue paper as standard.

We reuse packaging from our supply chain, including shredding cardboard to use as packaging in our warehouse and our packaging is sourced, manufactured, and recycled using renewable energy.

Sustainability

At Running Imp we care passionately about the environment and sustainability, and have installed 220 solar panels on our Jubilee House headquarters in Lincoln. We are also addressing how we run our operations, supply chain, packaging materials, water, and energy use.

Fully Recycled Medals, Ribbons & Pin Badges

All our medals are made from environmentally friendly metals and we can now offer 100% recycled medals with RPET Ribbons and 100% recycled pin badges.

Our ribbons are made with environmentally friendly non-toxic inks and we offer Recyclable Heat Transfer and Recyclable RPET Yarn Ribbons.

We also offer a recycling scheme for leftover metal medals after your event. They can be returned to us to be recycled with a metal recycling firm, European Metal Recycling Ltd, who we have a strong partnership with. We also offer wooden medals that are made from FSC 100% sustainable wood and samples can be sent upon request.

We're also conscious of plastics, and are working on removing it from our products and offering alternatives that are made from recyclable material - such as our flag branding material and supplying wooden stakes as well as plastic stakes.

Why Work With Us?

Ethical Corporate Responsibility

At Running Imp we believe strongly in ethical principles and good stewardship. We are therefore proud to guarantee that we trade in accordance with the International Labour Organisation's ETI Base Code & Independently audit our suppliers on an annual basis to ensure that:

- **All employment is freely chosen**
- **Working conditions are safe and hygienic and our management team are trained first aiders**
- **Working hours are not excessive and comply with national laws**
- **Living wages are paid, meeting national legal and industry benchmark standards**
- **No harsh, cruel or degrading treatment or practices are permitted**
- **Freedom of association and the right to collective bargaining are respected. Our workers are free to join trade unions and ethical issues are dealt with in an efficient and transparent manner**

All audits are available on request, or alternatively visible through the Sedex Global platform.

Don't take our word for it...

Our customers say: Excellent 4.9 out of 5 Trustpilot

LONDON MARATHON EVENTS

"We have worked closely with Running Imp for several years on medal production for our portfolio of events. They have consistently provided high quality products on time alongside excellent customer service. This was evident throughout Covid-19 where they showed flexibility and a true understanding of the dilemmas that event organisers faced."

LONDON MARATHON EVENTS

"We have used Running Imp for over 25 years for all our medal and trophy requirements, which is now approaching nearly half a million medals! The design, production and delivery process is easy and is to a exceptionally high standard. Customer care is at the heart of what they do and we wouldn't go anywhere else."

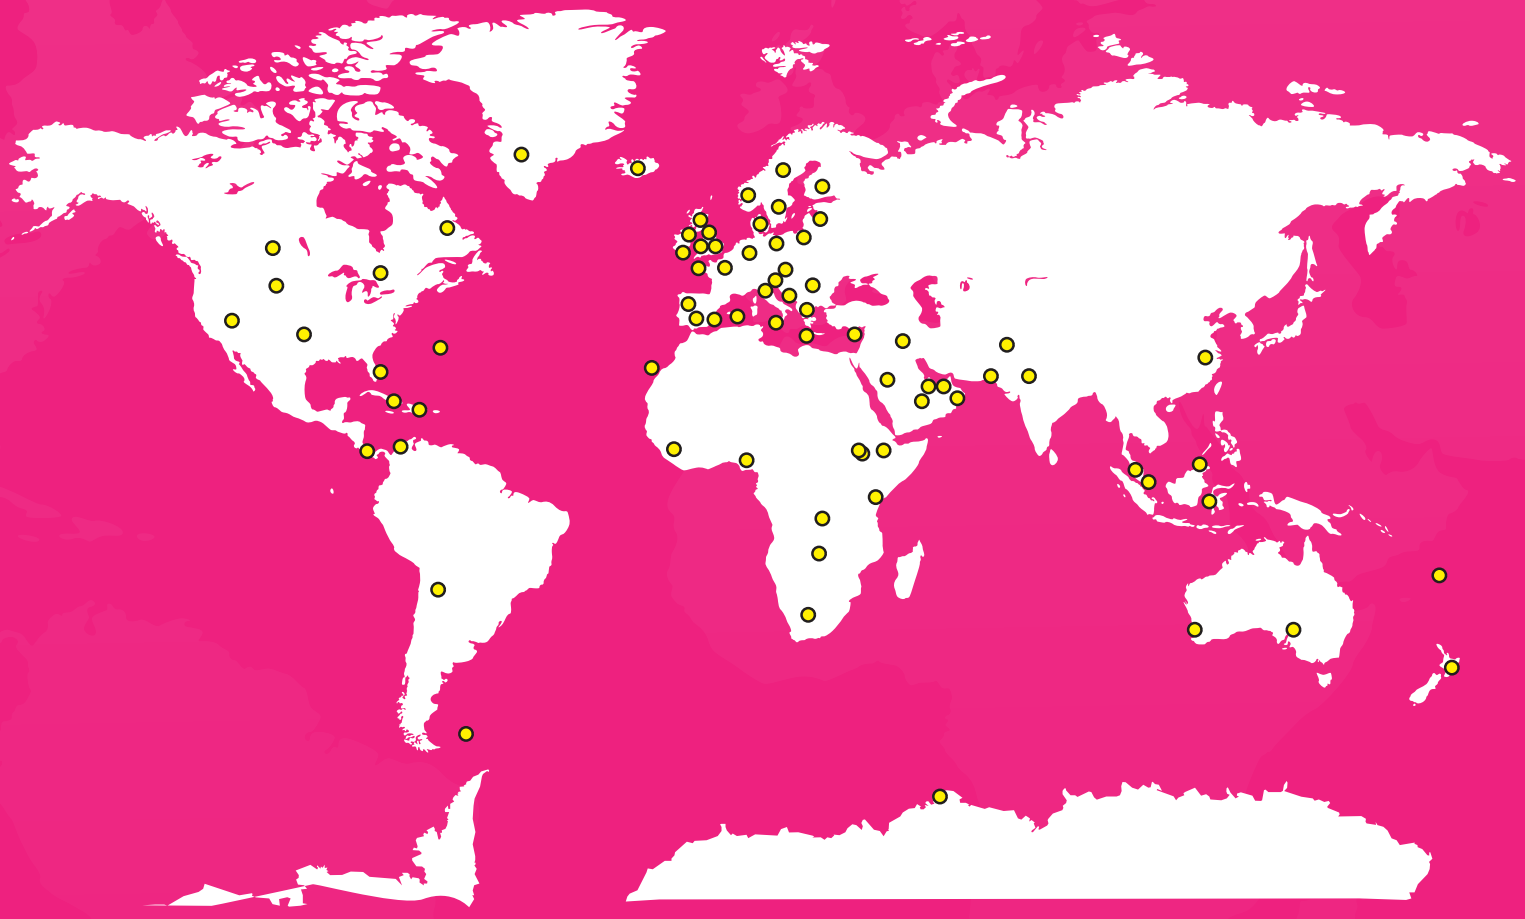

PANATHLON CHALLENGE

btr

"BTR has enjoyed a very long and successful working relationship with Running Imp dating back to 1994. They have provided a first class service at all times and I would recommend them to anyone looking for running event materials from high quality medals to simple course signage... and everything in between."

Thank you
For considering our bespoke, eco-friendly wooden medals. Each medal purchased takes us one step closer to a greener and more sustainable world.

Bespoke Wooden Medals Disclaimer
Please Note

- A small minority of medals may have imperfections in the wood such as knots.
- If excessive pressure is applied to the wood or to the ribbon clip, this may cause the medal and ribbon hole to snap.
- The design clarity and etching tone may differ from each medal.
- The edges of the medal should not have any splinters or create any, however, a splinter may be present in very few cases.
- After laser engraving has been completed, a burnt odour will be present; this will remain on the finished product.
- In some cases, a small amount of scratching may appear where a clip-on ribbon has been attached.

Bespoke Rainbow Plated Medals

Bespoke Rainbow Medals

These medals have a striking multi-coloured 'rainbow' effect with each medal having its own unique finish so no two medals will be finished the same.

Plated Twice
To get this effect we electro-plate the medals twice to produce a combination of 'IMP'ressive rainbow colours with a high shine finish.

With or Without Enamelling
Our bespoke rainbow medals can come in two options.

FREE Ribbons
Your medals will also come with - **FREE 25mm Full Colour Eco-Friendly Double Sided Heat Transfer Ribbons** which can include photographs if required.
Or if you prefer - **FREE Plain, Striped or Printed 25mm Woven Ribbons** in the colour(s) of your choice.

Our bespoke rainbow medals are available in any, shape, any size and any thickness, with the price dependant on the size and quantity required.

Main medal with 4 interchangeable mini medals

Bespoke Segment Medals

Another alternative to give your competitors if you are planning a series of 2, 3 or even more events, is a unique set of bespoke '**segment**' medals. These will not only make a superb series memento, but can depict an overall design when put together.

Each event would have its own individual finisher's medal, but by encouraging your competitors to enter all the events in the series with the incentive of collecting the complete set of 'segment' medals, it might help increase your overall entries.

Four separate event medals combine to create one large medal.

The New Balance Big Relay is held on the same spectacular 13.1-mile course as The Big Half, which weaves from **Tower Bridge** in central London to the **Cutty Sark** in Greenwich, and is split into four legs of around 5K each. This means participants can soak up the atmosphere of the half marathon event without having to go the full distance! The finishers' medals were designed so that when all 4 relay segments were connected, the reverse of the medals displayed the events slogan "We Run As One", see below.

Medals shown are Black Colour Sprayed with a Partially Enamelled finish and Printed QR Code

Bespoke Hinged Medals

Both unique and eye-catching, we have produced medals that incorporate a mirror, and even an escape cage that depicts freedom when the cage doors are opened. With the Mayflower 400, when opened, it shows the route of the half marathon and about the history of the Mayflower which set sail from Plymouth on the 16th September 1620 which after a very rough voyage across the Atlantic, finally made it to what is now known as 'Cape Cod' in Massachusetts in November 1620.

The designs are endless, and **the only limit is your imagination.**

LONDON CLASSICS

London Marathon Events brought together the London Marathon, the world's greatest cycling festival and the inspirational open-water swimming event, Swim Serpentine, to create the London Classics, one of the world's great sporting challenges.

To complete the challenge, you were required to:

- **Run the London Marathon**
- **Cycle 100 miles in the RideLondon-Essex 100**
- **Swim 2 miles at Swim Serpentine.**

If you completed this iconic trio of events, you would have received a specially designed and much-coveted London Classics medal engraved with the Latin words: Et ego Londinium vici ('I too have conquered London') and listed in the London Classics Hall of Fame.

Medals shown have a Two-Tone Antique Silver and Gold finish

Running Imp

are proud to have been the Official Medal Supplier to the London Classics

Bespoke Pin Badge & Two-Piece Click Together Medals

Bespoke Pin Badge Medals

Another finisher's medal with a difference, our '**pin badge**' medals which afterwards, if you wished, you could just wear the pin badge on its own to show off your achievement.

THE STORY BEHIND THE FINISHER'S MEDALS AND T-SHIRTS FOR THE BIG HALF 2022

A unique feature of this medal was the inclusion of a QR code on the reverse of the medal which, when scanned, opens up the web page below right telling the story of the medal's design and the creative process behind it.

Medals shown are Black Colour Sprayed with Partial Enamelling and a Printed QR Code

PHOENIX Running

Frequently Asked Questions & How to Order

Medal Production

Q Where are the medals manufactured?
A All our bespoke medals are manufactured in our partner factories in China, for the very best quality at wholesale prices.

Q How long will you need to produce my medals?
A Once you have approved and 'signed-off' your medal artwork, if we use sea freight (the most economical), it will take up to 18 weeks, although depending on the time of year, this can be expedited.

Q I have heard that the medals can be produced and delivered in only 3-4 weeks, is that correct?
A Yes, they can. Once you have 'signed-off' the artwork and approved your design it can take only 3-4 weeks to produce and deliver your medals via air freight.

Q Is there a surcharge for the medals to be flown in?
A Yes there is a small surcharge which depends on the size of medals and quantity. We will give you an exact quotation at the time of ordering if you require this express delivery service.

Q Does the 4 or 18 week production lead time include delivery to me?
A Yes.

Q What if I receive more entries than anticipated, can I order a 'last minute top-up' to my medal order?
A Yes. We can produce a 'top-up' to your order within 2-3 weeks.

Medal Design

Q If I only have a rough sketch of my medal design, is that alright?
A Yes. Simply send us your guidelines with any logos (if any) you want incorporating, and we will design your medal for you **FREE of Charge**.

Q I understand that you have different background stipple effects that I can incorporate into my design?
A Yes. We have a variety of background stipple effects that can be incorporated into your design (see page 19). Simply quote the stipple effect number(s) or contact us for a **FREE** sample to help you choose.

Medal Design (continued)

Q How quickly will I receive artwork back from you for approval?
A Once you have accepted our quotation, we will then proceed with your medal design which you should normally receive within 3 to 4 working days, or even less.

Q When I have received my medal design back for approval, what if I require changes?
A No problem, we will amend your design until you are completely happy with it!

Q Will there be any charge for these amendments?
A We offer up to 3 opportunities for unlimited amendments at no additional cost. Any changes thereafter may incur a design surcharge of £50.

Medal Finishes

Q Can I mix the medal finish colours within my order (eg. Antique Gold, Silver, Bronze etc)?
A Yes.

Q Is there an extra charge for this?
A No.

Q What Medal Finishes are there?
A We have a variety of medal finishes to choose from. See pages 14 & 15 or contact us for a **FREE** swatch of sample finishes.

Prices

Q How do I work out my medal price?
A All prices shown are based on 3mm thick medals. For example, if your design is 50mm in diameter or 50mm to its longest point look in the 50mm column prices etc.

Q How can I work out the price if my medals are an irregular shape?
A Simply send us a diagram showing us the shape and size of your required medal and we will give you an exact quotation within 24 hours.

Q Can medals be thicker than 3mm?
A Yes. We can produce medals in any thickness up to 20mm thick.

Q How will this affect my price?
A Please contact us with your specific requirements and we'll give you an exact quotation in 24 hours.

Die Charges

Q How many dies will I be charged for?
A You will only be charged a die for each side that has a design.

Q What if exactly the same design is on both sides of the medal?
A You will be charged for 2 dies.

Q What if my design has 'cut-outs'?
A You will only be charged for one die if the reverse of your medal is plain.

Optional Extras

Q Are there any optional extras available for medals?
A Yes. We have a variety shown on page 21.

Q If I have a specific request that is not shown, can you fulfil it?
A In all probability yes. Remember, the only limit is your imagination.

Q How much do these optional extras cost?
A It very much depends on the quantity and on the optional extra. We will give you an exact quotation within 24 hours.

How to Order

Q How do I order my medals?
A Simply follow our 6-step guide:

1. Tell us what style of bespoke medal you would like.

2. Tell us the quantity you require.

3. Tell us the shape, size, finish, ribbon detail, enamelling colours (if any), optional extras (if any) and date required by. Then send us a rough sketch of your medal design with your guidelines and any logos (if any) that you want incorporating. Alternatively, talk through your design idea with a member of our staff who will be happy to answer any questions that you may have.

4. We will then submit a quotation for your approval based upon your specific requirements.

5. Once you have accepted our quotation, we will then provide you with medal artwork for approval within 3 to 4 working days.

6. Once you have approved your medal artwork, we will commence production and deliver within your requested timescale.

How to Order Your Bespoke Personalised Medals

Simply follow our 6-Step Guide

1

Tell us what **Style** of bespoke medal you would like.

2

Tell us the **Quantity** you require.

3

Tell us the **Shape, Size, Finish, Ribbon Detail, Enamelling Colours** (if any), optional extras (if any) and date required by. Then send us a rough sketch of your medal design with your guidelines and any logos (if any) that you want incorporating. Alternatively, talk through your design idea with a member of our staff who will be happy to answer any questions that you may have.

4

We will then submit a **Quotation** for your approval based upon your specific requirements.

5

Once you have **Accepted** our quotation, we will then provide you with medal artwork for approval within 3 to 4 working days.

6

Once you have **Approved** your medal artwork, we will commence production and deliver within your requested timescale.

If you purchased your medals from us, we can now provide this service for you at your event to add that personalised touch for your competitors.

All we require is a mains power supply, we provide everything else.

Simply contact **sales@runningimp.co.uk** and we will provide you with a **FREE**, no-obligation written quotation.

Medals are our passion

and we hate to see them go to waste

Do you have any Undated Leftover Medals that you would like to re-use?

Do they have Dated Ribbons that stop you from doing so?

Or have you got a **New Sponsor?**

YES?

Here, the Panathlon Challenge replaced the existing St. James's Place ribbon on several of their medals with a Bolton Wanderers FC In the Community ribbon for an event that they were holding in the north west.

Well, why not take advantage of our

Ribbon Re-Assembly Service?

Leftover Medals Ribbon Re-Assembly Service

Our Ribbon Re-Assembly Service

For 2026 we are offering a cost effective way to update your medals in the event of cancellations, postponement or rebranding to save wastage and money.

All of our ribbon re-assembly is done in-house and we can offer both sewn on full colour double sided heat transfer printed ribbons, and clip-on options depending on your budget and style of medal.

Medals are our passion and we hate to see them go to waste!

Simply send back any medals you may have, order new ribbons and we'll look after the rest.

How To Order

1 Step 1

Send us back any medals that you would like to re-use.

2 Step 2

We'll remove the old ribbons and recycle them.

3 Step 3

Order your new ribbons (they do not have to be dated), maybe you have a new sponsor.

4 Step 4

We will then either sew on the ribbons or clip them on to your medals depending on style ordered.

Production Schedule

Please allow 3-4 weeks to produce and to sew onto your medals (subject to quantity).

Assembly Charge

Please add to the cost of your ribbon:
10p per medal to attach clip-on ribbons.
35p per medal to cut and sew on ribbons.

Medals shown have an Antique Gold, Silver, Bronze and Black Nickel finish with Partial Enamelling set around a Multi-Coloured Silicone Medal

Running Imp

PANATHLON CHALLENGE™

THINKING OF ORGANISING A VIRTUAL EVENT?

THEN WHY NOT USE OUR **EVENT FULFILMENT SERVICE**?

Are you thinking of organising a Virtual event but don't have the time or resources to manage its requirements?

We will sort your supplied data and then mail out your Virtual medals (and/or race numbers) directly to your participants.

WE PACK

Whether it be a few hundred or tens of thousands we sort all of the data and postage in line with current GDPR regulations so you can rest assured your participants' information is handled with care.

WE SORT

Each medal is packaged into a padded envelope and posted either on their own or with a personalised insert to thank your supporters and sponsors or to promote your chosen charitable cause.

WE POST

Price depends on quantity, postal locations (overseas additional costs), inserts (if required) and size of medal. Please contact us for more information or a **FREE** no-obligation written quotation.
